

RECURSOS DE A1 CON ACCESO LIBRE PARA PROMOVER EL APRENDIZAJE AUTODIRIGIDO

El aprendizaje auto- dirigido es aquel en el que la persona define claramente las metas de aprendizaje que quiere alcanzar; las relaciona con las necesidades concretas de su trabajo y de su desarrollo personal; y elige, de entre varias opciones posibles, un programa educativo o una serie de acciones que le permitan satisfacer dichas necesidades.

Este listado de recursos digitales corresponde al nivel A1 y apoyan el aprendizaje, ya que abonan a la práctica de temas regularmente estudiados en los programas de enseñanza del inglés como lengua extranjera en los niveles básicos. Estos recursos **no conforman un programa**, sin embargo, ayudan a reforzar o practicar cuando ya se tiene conocimientos previos.

Entre los recursos citados, se tienen opciones diversas de acceso a plataformas educativas, juegos, videos, ejercicios, diccionarios, exámenes tipo, entre otros que facilitarán el aprendizaje del inglés de manera a tu propio ritmo; mediante tu PC o dispositivos móviles.
