# HISTORY

The **National Polytechnic Institute (IPN)** was established in January 1st in 1936 by presential decree.

The President Lázaro Cárdenas accompanied by a group of intellectuals promoted to implement the premises of the Mexican Revolution in education, giving rise to a strong house of studies: The **National Polytechnic Institute**.

Consistent with its founding principles, the **IPN** has been and will continue to be faithful to its mission, which is reflected in its motto

# ACADEMIC PROGRAMS

The IPN is constantly evolving in terms of its academic programs, facilities, and equipment. Our teachers, researchers and staff are continuously upgraded, in order to offer our students a better educational experience, contributing to their comprehensive development in the following fields of knowledge:
